WARNINGS Read Before Using Your Sega Dreamcast Video Game System

CAUTION

Anyone who uses the Sega Dreamcast should read the operating manual for the software and console before operating them. A responsible adult should read these manuals together with any minors who will use the Sega Dreamcast before the minor uses it.

HEALTH AND EPILEPSY WARNING

Some small number of people are susceptible to epileptic seizures or loss of consciousness when exposed to certain flashing lights or light patterns that they encounter in everyday life, such as those in certain television images or video games. These seizures or loss of consciousness may occur even if the person has never had an epileptic seizure.

If you or anyone in your family has ever had symptoms related to epilepsy when exposed to flashing lights, consult your doctor prior to using the Sega Dreamcast.

In all cases, parents should monitor the use of video games by their children. If any player experiences dizziness, blurred vision, eye or muscle twitches, loss of consciousness, disorientation, any involuntary movement or convulsion, IMMEDIATELY DISCONTINUE USE AND CONSULT YOUR DOCTOR BEFORE RESUMING PLAY.

To reduce the possibility of such symptoms, the operator must follow these safety precautions at all times when using the Sega Dreamcast.

- Sit a minimum of 6.5 feet away from the television screen. This should be as far as the length of the controller cable.
- Do not play if you are tired or have not had much sleep.
- Make sure that the room in which you are playing has all the lights on and is well lit.
- Stop playing video games for at least ten to twenty minutes per hour. This will rest your eyes, neck, arms and fingers so that you can continue comfortably playing the game in the future.

OPERATING PRECAUTIONS

To prevent personal injury, property damage or malfunction:

- Before removing the disc, be sure it has stopped spinning.
- The Sega Dreamcast GD-ROM disc is intended for use exclusively on the Sega Dreamcast video game system. Do not use this disc in anything other than a Sega Dreamcast console, especially not in a CD player.
- Do not allow fingerprints or dirt on either side of the disc.
- Avoid bending the disc. Do not touch, smudge or scratch its surface.
- Do not modify or enlarge the center hole of the disc or use a disc that is cracked, modified or repaired with adhesive tape.
- Do not write on or apply anything to either side of the disc.
- Store the disc in its original case and do not expose it to high temperature and humidity.
- Do not leave the disc in direct sunlight or near a radiator or other source of heat.
- Use lens cleaner and a soft dry cloth to clean the disc, wiping gently from the center to the edge. Never use chemicals such as benzene and paint thinner to clean the disc.

PROJECTION TELEVISION WARNING

Still pictures or images may cause permanent picture tube damage or mark the phosphor of the CRT. Avoid repeated or extended use of video games on large-screen projection televisions.

SFA3 INTERNET INSTRUCTIONS

Once you have created a character in World Tour mode (page 10), you can go to the Internet to download a series of Master characters to compete against your character. To download Master characters, follow these instructions:

1. First, save your World Tour Mode character to your Visual Memory Unit (VMU).
2. Exit to the Game Mode Menu and select ENTRY MODE. Select your saved character, load in your saved character data from the VMU and then exit back to the Game Mode Menu.
3. Select NETWORK MODE. There are two options: Saikyō Dojo and the SFA3 site. Select the STREET FIGHTER ALPHA 3 site, exit out of the Memory Card Utility screen and click CONNECT TO THE INTERNET.
4. To download the Master Character file, click the character face icon (these will vary as characters change every week). Choose YES to download the file and then select the VMU where you want to save the data.

Before you can compete against the Masters, you must first register your character in the Saikyō Dojo and defeat three students. To do that, use the L Trigger to display the menu and select EXIT TO GAME. At the Game Mode Menu, choose NETWORK MODE and select SAIKYO DOJO. Select JOIN and add your World Tour Character.

Now you are ready to fight against the Masters. Select GR MATCH and load your data. Good luck!
